Thanks Mark. I'll give the school a call and send Jane Harris the PDF. Also, I spoke with April in the Renton Mayor's office and sent her the flyer as well. Need to make sure folks know we're not doing the solid waste removal, just hazardous.

Hi Wally and Mark,

The Principal of Apollo Elementary is Jane Harris at harrisj@issaquah.wednet.edu

It might be a nice courtesy to send her the flyer. Thanks for the outreach you are doing in the community, we appreciate it.

Thank you,
Tom

From my colleague, Kay Morrison, who is handling **Community Engagement** for the removal:

We attached the flyer (see my last email) we used for yesterday's door to door in Renton. Jeff and I spoke with about 6 neighbors, (b) (6) We placed the flyer in about 20 doors, and pinned the fact sheet on boards at the local restaurant, and the nearby feed store/recycling shop. We still have a little bit of outreach to do with the City of Renton, and I've got a thank-you note in to (b) (6).

Just keeping you informed!
